Dear Willie,

Well, the 2012 MDRT Annual Meeting is in the rear view mirror. But, I can tell you a fact that this year's program has already been a life changing experience for our membership. As a member of the Program Development Committee, I want to pass along our appreciation for your effort in making a difference. Rarely do we get a group of speakers so focused in connecting their messages to our audience. You made a major impact for us and I don't need a final score to know that this was one of the best meetings ever. Thanks for your energy and passion. It was a privilege for me to work with you. Greet Dee for me. I hope that she enjoyed being part of the experience as well.

Personal regards,
